

Richard Nicoll – 6 Jan 2013. Thus says the Lord. I am about to do a new thing. My Spirit will move with great power and supernatural activities will take place. People will try to dismiss that it is My Spirit, says the Lord, and endeavour to rationalise this new demonstration and say it is not of Me, and will not receive or understand My ways. They are not of Me and don't have My Spirit to discern the days coming. They will oppose Me and not receive the new thing in their midst. Trust in Me, says the Lord. Do not try to figure things out in your mind but lean on Me and acknowledge My ways as I make your path straight.

How will you know it is the moving by the Spirit? Am I not the word made flesh.

Bernie Townsend – Jan 2013 Dear church people, and God lovers. You are My church of elder/mature Christians. Your faithfulness to Me, your loyalty to My Word and your loving for one another and those who are in most need of my love is a source of joy to My heart. Your application of my love prepares your people for our time together for all eternity and for our time together at the wedding feast, where I meet up with my bride. This desire of Mine fact is not appreciated in the world of your day. You have a joint wisdom beyond your years, which the community needs to hear. You are a strong shining light in an otherwise dark world. You represent the existence of life after death and also the advancement of My Kingdom within your community. I am referring to the lonely, the poor, the mentally sick, the lesbians and gay community, and all of the unmarried parents, all in your Kapiti community. Do you think that you could accept them as people, searching, and love them into My Kingdom, without majoring on what you have or what they do not have, without keeping a record of their wrongs? My Holy Spirit dwells within each one of you, and as you love, My Father and I come and make our home in you. Open up your human knowledge and understanding to the reality of My presence within each of you, and take Me with you wherever you go, and to whomsoever you meet. You have spent time with Me, in My throne room and My war courts. You are the generals, you have the victory, you know the victor and the victims. Do not sit idly in the grandstand for the battle has already begun, it is a life and death one. Bring My plans into fruition for your community, as you are able, The people in your community are desperate for an authentic answer to their lives, to their world, and you hold the answer. I so deeply love you, My church, abide in My love.

Dawn Townsend 24 Nov 2013. “As Ingrid has been taken down, and suffered physically and emotionally, and slowly recovered, so too have you My church been taken down and suffer. But you will surely rise in My power and My strength.

Rid Harrison – 8 Nov 2004 “Love is the defining matter amongst you. You all come from different backgrounds and you are not here just because of choice. I chose you and ordained you to produce fruit. I have brought you together and I will scatter you. Love is in your midst. I want you to maintain a unity of spirit. Dare to be those who express My love, joy, peace, presence. I am not about customs and traditions – the way things are done. Love will cement, develop and mature you. Prepare your hearts as to what you might bring – as I bring others in, do not be a clique excluding others – be those who embrace, nurture and mature others. I will bring people who desperately need you – bringing them into the womb of the fellowship. I am going to build you, bringing people who need sensitivity, rebuke and correction, but love is the defining factor.”

William Tatana – 26 Nov 2004 “I really sensed that this new start would be significant and that it would be a round shaking type of church. I hear the Lord say that the foundations have been laid in many lives but God is calling you to be a church of restoration, rebuilding and strengthening of people at this time. The Lord showed me a scripture Is 58:1 as a significant scripture for the church. The Spirit of God will do a quick but thorough work and your light will be seen throughout the land as a leading church that shows forth the fullness of God. The glory of God shall be manifested in your midst but this will require walking a separated life and a holy lifestyle and close intimate fellowship with Him. The Lord shows me that He will reveal by steps how the church is to operate and touch and transform the community you live in. There are angels assigned to the church to bring administrations, giftings from heaven to your community for God says “I will shake, I will impact the peoples for My Glory. I will draw people from all races, nations and colours to your church”. Be prepared to warfare in prayer concerning the people whose eyes have been darkened by deception of the enemy. Be a people of prayer and declare My word to the coast. As you declare My word, things will change in the spiritual atmosphere

Ingrid's vision – 5 July 2005. A peacock, walking with tail feathers sweeping the ground. Body of peacock seemed to be symbolic of traditional church body. People who were dispirited and hurt and falling through the cracks of traditional church body were being swept up by small groups/churches. Sense of God's glory and also love for those being left behind/rejected/disheartened. Sense of purpose in the sweeping up and also sense of "end times".

Jesse Misa – Luke 13:6-9. A gardener went out to plant a rose in his garden. He checked it the next day – it had moved – planted itself amongst the tulips. When asked why, the rose said "I feel beautiful when I am amongst the tulips". The gardener replanted it. Poo smells but it is necessary. God has planted you. The dung that He has put around you for the last three years, He is going to add to it. Because of this, your roots will grow deep and then there will be fruitfulness and much fragrance. From the stalk that was planted will grow an oak of righteousness.

Richard Nicoll. Gateway and its call – Gen 28:12 (Jacobs dream at Bethel). Entranceway – completely enclosed with the Holy Spirit. This is none other than the House of God, we are the portal/gate to heaven. Special anointing, openness in this place, and may not be aware of it. Angels ascending and descending – awesome! Called apart – Matt 9:17 – who we are. New wine into a new wineskin. Pouring more of Himself into this place. Received the new wine – best wine till last. Doing something significant. We are a gateway/portal opened – the way for God to come and breathe something fresh into this place and into the Kapiti region.

Richard Nicoll, July 12th, 2009. Picture: scene of darkness – dark sea – in this darkness – a beacon of light shines – like a lighthouse guiding the right path for ships. The area of darkness was large yet this small shaft of light, lit up the darkness. Sensed that this is a word of encouragement for you as a Church. You may be small in number, and yet your light, God's light, will cover and have significance over a wide area. Don't be concerned about growth in numbers, look to me says the Lord, for more light. It is my light that will dispel the darkness. I am the light of the world, and I have overcome the darkness. You are mine, and I will continue to nurture and protect you, says the Lord.

Jeni Tucker 28th March 2010. You have come to your 7th year. I have walked every step of the way with you and have built a diamond in your hearts. It is now time for a new thing, so step out boldly and you will see God moving to bring about His salvation. You are situated at the gateway to the nation's capital and have been given a mandate to pray for the nation and its government. Now is the time to be this gateway. Little churches can do great things for God so step out with courage. Make God known and see what He will do through you.

Ross Davison March 2010. (without a sense of imminence). I saw before me two green hills which came together to form a shallow valley between them. From this valley came a road which came right down past where I was standing. From behind these hills, against a clear sky, a figure which I knew to be Jesus - but much bigger than life-size - appeared, and began to walk down the road towards where I was standing. As He came nearer He became much more normal size, and as He walked everything on the sides of the road - trees, power poles, light standards - all bowed down as He passed. He walked on with His arms outstretched and a few paces past where I was standing, He stopped, and still with His arms raised and outstretched, said in a very loud voice, This is my last call.

Bernie Townsend. November 2011. God will surely come with a His manifestation and power, and will fill us to overflowing. Get used to walking with our spirit's full of His presence. Live in this and Kapiti will be a portal of life in NZ. We are at war and have a right to know what is going on. But we are like World War 1 soldiers (which were good for their time). God now needs us to re-equip and learn new ways and new weapons relevant for these times.

Richard Nicol – 30 Sept 2012. When my glory is in my house, people will run to see it". Habakkuk 2:14 - For the earth will be filled with the knowledge of the glory of the LORD, as the waters cover the sea. God put His glory upon us, The word states we were made glorious. We lost that glory in the garden. God want to restore His glory upon His creation. God sent Jesus, to reflect that glory - The word became flesh. Jesus is the pathway to God's Glory, He is the Way, He is the Truth and He is the Life. There is no other way to the Father than through me. We are a reflection of who God is, of what He has done to us, our salvation and eternal life is a glimpse of God's Glory. We want more of the Glory of God. When God reveals his glory, lives are changed,

The wedding at Cana. God's glory was revealed and faith increased. A rich man's son was dying, Jesus healed him, revealing God's glory, and the consequence - the whole household believed. The blind man from birth, was blind not from the sins of the father, but to enable Jesus to show God's glory. If you believe you will see the glory of God. If you believe you will see the glory of God! We need more of God's Glory. We must desire more of God's glory. We must hunger for more of God's Glory. Christian and non-Christian alike, we need a fresh revelation of the glory of God. A time is coming when God's glory will be revealed, in a new and wonderful way. Let's get ready. Let's prepare.
